

Training Set (2021 Version)

Assembly Instructions

1. Screw together at each of the two joints for each of the training set poles.

2. Insert pole into the training set stand.

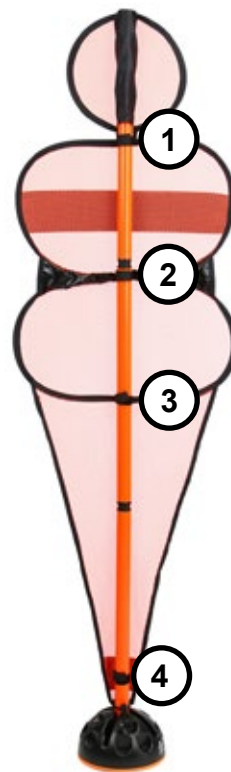

3. Place the mannequin head over the top of the training set pole.

4. Using the velcro straps attach the fabric mannequin to the training set pole.

5. You can swap Training Set Stand for the ground insert for a sturdier positioning on grass.
